

## Zoom Virtual Background Instructions

1. Take a screenshot of the image you would like to use **below and save it in a folder of your choice (somewhere you can find it easily)**.
2. Sign into the Zoom web portal.
3. In the navigation menu on the left side of the screen, click **Settings**.
4. In the **Meeting tab**, navigate to the Virtual Background option (under the In Meeting (Advanced section) and verify that the setting is enabled.
5. Log into desktop application.
6. Click on the settings tab in the top right corner of the window.
7. Select the "Virtual Background tab from the menu on the left side of the window.
8. Select add an image (using the plus icon on the right side of the window).
9. Select the image you saved in Step 1.
  - a. The text may appear backwards – if so, uncheck "mirror my video"; if you do not have this option, please note that meeting participants will see the text correctly (left to right).
10. Close the dialog box and share your video.
