

Injury and Violence Prevention Certificate

Approved Elective Courses

Certificate Program Application Deadline: *Friday, August 23, 2024*

All questions and completed applications should be directed to Dr. Dorian Lamis at dorian.lamis@emory.edu

Note: The following courses are approved electives. Not all courses are offered every year, and enrollment depends on the available space. Priority for classes will primarily be based on department seniority, followed by other criteria. This list will be updated frequently to indicate availability for spring and fall semesters. During summer, course offerings may change when enrolling for fall/spring classes. Please check regularly to see if a class is available.
